

Important Notes:

- ❖ NWEA and Dibels/TRC Middle Year Testing continues in January → provides individualized student achievement data
- ❖ Access Testing → begins 2/17 important assessment to determine English language proficiency level for English language students
- ❖ Quarter 2 Progress Reports → provides insight into student grades for quarter 2, which ends February 1st
- ❖ 6th Grade STEM Fair → join us to see our competitive 6th grade science projects on Friday, June 12th at 2:00 p.m.

“Cheers to a new year and another chance for us to get it right.”
 Scammon Elementary a great place to be a kid, where every day counts.
